PROFESSIONAL DEVELOPMENT

Construction Inspector Trainee Program

THE CONSTRUCTION INSPECTOR TRAINEE PROGAM (CITP) is a comprehensive statewide program designed to educate and prepare individuals to become Construction Inspectors. The CITP program provides training in the many areas of expertise that are necessary to knowledgeably inspect the different stages and facets of roadway construction.

A Job that Makes a Difference

VDOT's Construction Inspectors ensure the safe and sound construction of Virginia's roadways. The CITP program develops functioning, capable inspectors through classroom training, mentoring and on-the-job experience. Individuals completing this program will have verified, highly desirable and proficient skills as Construction Inspectors.

Compensation, Benefits, Incentives

VDOT offers competitive compensation packages and state benefits.

The program encourages participants to fully complete the program by offering trainees up to a 10% increase in pay once 50% or more of both the classes and the job element sets are achieved.

Upon completion of the program, the graduate is eligible for a promotion to Inspector, with another pay increase.

Are You A Match?

VDOT is looking for motivated, customer-focused and action-oriented individuals with the ability to solve problems, learn quickly and collaborate with teammates.

All positions require a high school diploma.

We are particularly interested if you

- Have good math skills
- Are detail oriented
- Enjoy the outdoors
- Have an interest in construction

STRIVING TO BE VIRGINIA'S EMPLOYER OF CHOICE

<http://www.virginiadot.org/careers>

The Virginia Department of Transportation (VDOT) carries a strong national reputation for innovation, for always working to do things better, and for being willing to share its expertise.

VDOT is an agency that is recognized as one of the strongest transportation departments throughout the nation and around the world. In fact, VDOT operates the third largest state-maintained highway system in the country, just behind North Carolina and Texas.

VDOT cultivates high values, standards and best practices within all districts and divisions through varied methods, including mentoring, team development and individual development. Multiple programs are offered to grow VDOT's diverse employees from entry level through executive positions.

VDOT LEADS THE WAY

Here are some of our progressive achievements:

- Nationally recognized online Dashboard so the public can monitor our performance measures just as we do
- One of the first Knowledge Management and Innovative Project Delivery offices for any DOT
- Five Smart Traffic Centers that provide real-time traffic information for drivers
- VDOT's GIS Program was recognized as one of the 150 most outstanding among more than 100,000 ESRI user sites worldwide

VDOT FACTS

Virginia's transportation system is a vital element in the state's economy, providing the safe and efficient movement of people and products throughout the Old Dominion.

VDOT is responsible for building, maintaining and operating the state's roads, bridges and tunnels.

- Roads
- Bridges
- Underwater crossings
- Mountain tunnels
- Toll facilities
- Intelligent transportation systems
- Ferry services
- Safety rest areas
- Commuter parking lots
